SATS

A reminder that next week is the week in which our Year 2 and Year 6 children undertake the statutory end of key stage tests. They have been really well prepared and working hard so we wish them all the best!

PEER MEDIATORS

This week some of our year six children have begun working in the playground as peer mediators. After getting a reference from a responsible adult, the peer mediation team did some training with Mr Lea to learn how to help younger children talk to each other and resolve some of the small fallouts and upsets that they might have at break time. If any children want to speak to a peer mediator, the mealtime assistant staff will always know who is on duty. There have been some very encouraging outcomes so far, so well done!

DONATION OF BOOKS TO LIBRARY

Thank you to Mia Spears for donating some books for the library. It is always really helpful to be able to replenish our stocks especially of the most popular authors - Roald Dahl, Anthony Horowitz, David Walliams, Cressida Cowell, Eoin Colfer, Cornelia Funke, Michael Morpurgo and JK Rowling. Please can you ensure that your children return library books as soon as possible and that they put them back in the library in order to assist our pupil librarians. Thank you.

Girls and Boys in Year 3 and 4 that enjoy Gymnastics
 The Youth Games offers a fantastic experience to develop skills, have fun and be part of a fantastic Devon event. The GET INTO trial sessions for the Team West Devon Gymnastics team will take place on Saturday 12th and 19th May, 4.15-5.15pm, in the Okehamp-ton College Gym (You can come to one or both). Children from Year 3 & 4 do not need to have done gymnastics before, but they need to be able to forward roll, backward roll and cartwheel (or nearly be able to do these skills). This will help them with a routine they will need to develop. Please just come along to the sessions. If you want more details or your son or daughter would like to trial but can't make it on the days, please let Vicki know by emailing vic-ki@ocrasport.org.uk and she will sort out another date for them to trial. The team will then go on to compete at the South West Rotary Youth Games in Dawlish on 8th July.
