### DATA COLLECTION FORMS

Please note that Data Collection forms will be handed out at Parents' evening on Tuesday and we would ask that contact details including mobile phone numbers etc. and medical information is checked and updated if applicable. Please place in box by office.

### NUT ALLERGIES & ASTHMA INHALERS

To prevent any confusion please do not bring any food items with nuts into school to avoid affecting those with an allergy. Please also ensure that the office and the class teacher knows of any allergies or asthmatics.

### CLUBS

Thank you to all those who have returned club permission slips. We hope that the children have enjoyed their first week. There is a huge amount to organise with so many children attending clubs so please be patient with staff who all volunteer their time to run these additional activities. Please also make sure that the staff know how the children are getting home. Children who walk home alone need written permission.

### HOOKE COURT

Just a reminder to parents that any outstanding money for Hooke Court needs to be paid by 30th September.

### SCHOOL OFFICE

Please can we remind parents that uniform is only available to purchase on a Wednesday morning at the school office. You may purchase uniform at any time online through School Gateway and the order will be sent home with your child. There is also a 'Deposit and Go!' box outside the school office for parents to use. Payment should be placed in a sealed envelope with a name and reason for the payment on the front. Just a reminder that you can pay for dinner tickets, trips, childcare, clubs and swimming using a debit or credit card online using School Gateway.

Dear Mrs Boother,

I just wanted to write a quick thank you for the warm welcome I received at Hatherleigh Primary school from staff and pupils when visiting your school this week.

All your Yr 5 & 6 were absolutely incredible in the Internet Safety workshops; full of wonderful ideas, positivity and knowledge. I was impressed with how engaged all your classes were with lots of hands going up when I asked questions and lots of interesting and diverse opinions around cyber bullying.

I can't say which year was better because both classes impressed me. Although yr 5 were pretty fast with the 'Pass the Clap' game!

I hope you all stay safe when you are online and treat others with respect when you are on social media in the future.

I hope very much to see you all again soon.

Many thanks,  
Charlie Kay, Bigfoot Arts Education
