

YEAR 6 RESIDENTIAL

"We had a great three days away! I was really impressed with the enthusiasm and the behaviour of the children, which was commented on by the staff at Great Potheridge. Most of the children found parts of the trip a bit difficult, but by working together they were able to overcome their fears and push themselves to do things they had never done before. I was especially proud of the way in which everyone worked together and encouraged each other, and by how self-reliant the children were. Well done everyone and thank you." Mr Lea.

Thank you to Mr Lea, Mrs Bragg, Mr Pearson and Mrs Gibb for enabling this residential to take place. A huge amount of planning goes into any trip and we are very grateful for their time and enthusiasm!

SCHOOL COUNCIL

It is sadly time to say goodbye and thank you to our outgoing School Council who have served the school so well. Their enthusiasm and ideas have contributed to school improvement and I shall miss our meetings. The results of our recent election will be announced when we come back after the half term break with the first meeting being held on Thursday 7th June at 12.

THANK YOU

A huge thank you to Gavin Brookes, Kevin Drew and Stefan Farley for all their hard work in cleaning the playground after Year 5's cob work. Thank you.

HAWTHORNS CLASS

Well done to all Hawthorns who have completed their wonderful home-learning projects. The Hawthorns have been learning about time. It would be really useful if parents could spend some time over the holidays helping them to recognise how to tell the time.

CHESTNUTS CLASS

Thank you to all the parents that helped on the Chestnuts trip to Okehampton Castle. Also thank you to the PTFA for funding the coach.

STORY CLUB

Year 1 story club will continue after half term on a Wednesday. The first club will be on Wednesday 13th June and the last one will be on Wednesday 18th July.

FORTNITE

We have become very concerned recently about the number of children who have been playing a game called Fortnite. Our concerns are based on the following observations

- the game is aimed at 12+ and therefore the content is not suitable for primary age children
- it is impacting negatively on the way children play in the playground and with each other
- it appears to be affecting some children's ability to concentrate in class with children being pre-occupied with the game

It is clearly a parental decision about whether children are allowed access to such games but we wanted to raise our concerns and to raise your awareness of what seems to us to be having a negative impact on children's learning and social development.
