HEADTEACHER'S CHALLENGE

From next year, all Year 4 children will be tested on their multiplication tables. In school we are aware that children who know their number bonds and tables are able to problem solve and calculate much more efficiently and accurately. So my challenge to the children is to learn their multiplication tables over the Christmas holidays....or as many as appropriate! An optional TERRIFIC TABLES TEST will be offered in January for the children to show what they have learnt—with team point prizes!

CHRISTMAS PERFORMANCE TICKETS

We have a number of spare tickets available for both of the Christmas performances. If you would like extra tickets, please ask at the school office.

THANK YOU

Thank you to James West and Paul Flowers who helped Tom Snellgrove prune and tame our trees and hedgerows.

YEAR 2 PARENTS—AN EASY WAY TO HELP RAISE MONEY FOR OUR SCHOOL

A letter came home with your child recently about a survey from Sport England that the Year 2 class have been selected to take part in. In addition, parents are asked to complete an online questionnaire. Please can you spare 20 minutes of your time to take part as for every five questionnaires completed we will receive some money towards new computer equipment!

BEAFORD ARTS

Year 5 (Beeches Class) have enjoyed two workshops with Beaford Arts. All the children worked in small groups to complete oil pastel drawings of horses and carry out work on the Town Trail Project. Next term they will be building a cob horse!

MESSAGE FROM THE PTFA—XMAS SHOPPING EVENING

The School PTFA would like to thank Donna for organizing the event, to Jo, Dana, Katie, Val, Hayley and Judith for helping, to everyone else for helping setting up and packing away and to everyone that came to our Xmas Shopping Evening on Wednesday 22nd Nov. We made a Grand Profit of just over £600.00 which was really good. Thank You.

MESSAGE FROM DEVON NORSE
Autumn/ Winter Menu 2017 – Updated Allergen Information

It has been identified that there are some discrepancies on the allergen information provided to you on some of the printed menus.

The allergen information has been amended and the correct information and full details of all our menu items and allergens contained is available on our website. www.devonnorse.co.uk

Should your child have and food allergies we advise to refer to our on line information which is updated as required.

Should your child have specific dietary needs we always advise making an appointment with our Key Account Manager and School production Kitchen Manager so that they are fully aware of your child's dietary needs and can advise of any changes that could affect your child's dietary provision.

If you would like to arrange this or have any other questions regarding your child's school meals please contact barbara.sherrell@ncsgrp.co.uk or info@devonnorse.co.uk

We thank you for your understanding and apologise for any inconvenience this has caused.

We will be providing a revised copy of the menu for those children who are recorded as having an allergen.
