

## Hatherleigh School PTFA

All parents with children attending Hatherleigh Community Primary School are members of the School PTFA, (Parents, Teachers and Friends Association).

We are a parent run group who organise fundraising events throughout the academic year to raise money for our children's school. We hold very friendly, informal meetings, five times throughout the year to discuss and plan these events.

Our efforts help to subsidise the school budget, thus ensuring the best education for ALL our children. Funds provide enjoyable extras including; assistance for school trips, supply of new equipment needed in the classrooms and in the playground. We also help finance the yearly outdoor learning week and buy the leavers' presents. A new outdoor classroom has recently been completed and currently we are fundraising to help towards the redevelopment of the woodland area next to the school playing field.

The fundraising that we do does raise an awful lot of money for ALL the children to benefit within the school. With consistent support throughout the year from all our parents there seems no reason why this should not continue. We look forward to seeing you at our next meeting.

All meetings and events are advertised in the school weekly newsletter.
